

WEEK OF PRAYER  
SEPT. 8-15, 2024

STATE GOAL  
\$1,750,000

**THE SEEDS ARE WORKING – EVERYWHERE!**

MaryAnne,\* was a school bus driver. She had a burden she couldn't keep carrying and wanted spiritual help, so she did a quick internet search on her phone while waiting for school to dismiss. She came across one of the Billy Graham Evangelistic Association's websites and connected with a volunteer.

"I am ashamed of my past sins," she admitted to the volunteer, "and I feel like I will never be able to move on."

Her life was like one of her bus routes—always going in the same direction. But in life, she never seemed to be on the right path. Before the final bell rang, MaryAnne made her decision. She prayed for Jesus' forgiveness of her wrongdoings and committed her life to Him in the school parking lot. She was still sitting on the bus, but she had moved forward with her life.

This true story is representative of what's happening in Louisiana and beyond through Here for You and our partnership with the Graham organization, thanks in part to your Georgia Barnette gifts.

In 2023, there were 6044 views of the Gospel presentation and 279 indicated decisions for Christ through this partnership, your prayers, and your generosity!

- Pray for new seeds of God's truth to be scattered each week.
- Pray some of those seeds will find good soil and bear fruit.
- Pray God will send laborers (including you) to gather God's promised harvest.
