

PLEASE PRAY FOR:

- Ministries like Disaster Relief and Compassion ministries to reach people in need.
- Church planters who work hard to reach families in Louisiana communities.
- The lost in our state to know the Lord.

THE LOUISIANA MISSIONS OFFERING

is named after Miss Georgia Barnette who worked hard to encourage Louisiana Baptists to support missions and take the gospel to as many people as possible.

DISASTER RELIEF & RESORT MINISTRIES ...

... are two of the many ministries funded by the Georgia Barnette Louisiana Missions Offering. Disaster Relief helps provide hope for people who have been through a natural disaster. *Can you help Peli find his way to help people who've experienced a tornado?*

Resort ministries help share Jesus with people who visit parks in Louisiana, like South Toledo Bend State Park. *Starting from the tornado, guide Peli to the fishing tournament to tell kids who are competing about Christ.*

CHURCH PLANTING IS ANOTHER WAY

to bring Jesus to people in our communities by starting churches in areas that need a church. This **WAS** a list of cool reasons churches are necessary – maybe you can **unscramble the words** to fix the list?

COMPASSION MINISTRIES ...

... help people who are in need. Sometimes that's through helping people in Louisiana who speak another language learn English. John 3:16 tells us of God's love for us. *Match the part of the verse with the correct language by drawing a line from one to the other.*
