The money given by Louisiana Baptists works year-round to plant new churches, help those in need, and bring the gospel to thousands. You can help reach our state by giving to the #GeorgiaBarnette #LouisianaMissions Offering at [GeorgiaBarnette.org/give](https://georgiabarnette.org/give).

#LouisianaBaptists continue the work of Miss #GeorgiaBarnette each year by telling the stories of God at work across Louisiana. Visit [GeorgiaBarnette.org](https://georgiabarnette.org) to hear about how God is moving in our state and to see how you can be part of that work!

In 1914, the #LouisianaMissions goal was \$4,800. The goal was to "give as much to state missions as to home and foreign missions combined." The goal is the same, but the financial need has grown. Contribute to the \$1.8M goal online at [GeorgiaBarnette.org](https://georgiabarnette.org).

Your #GeorgiaBarnette #LouisianaMissions Offering is busy year-round making a difference in the lives of people and churches across the state. You can give online at [GeorgiaBarnette.org](https://georgiabarnette.org).

The spirit of giving that #GeorgiaBarnette inspired laid the groundwork for the Week of Prayer for state missions and what is now the #GeorgiaBarnette #LouisianaMissions Offering Month of Prayer. Her example is a model for prayer and giving today. Learn more at [GeorgiaBarnette.org](https://georgiabarnette.org).

The #GeorgiaBarnette #LouisianaMissions Offering enables churches to become the hands and feet of Jesus to a hurting world. It's never too late or too early to give online.

What can we do to address the exodus from the church today? Your charitable giving helps the #GeorgiaBarnette #LouisianaMissions Offering go to work across Louisiana and creates opportunities for everyone to say "yes" to Jesus. Learn more at [GeorgiaBarnette.org](https://georgiabarnette.org).
